BILT-RITE/MASTEX Donates Much Needed Medical Supplies through PROJECT C.U.R.E. to Help the People of Haiti

Croydon, PA, January 19th, 2010...Bilt-Rite/Mastex, a leading manufacturer of "Made in USA" products, donated a large quantity of medical supplies to help the relief efforts in Haiti.

Included in the donated supplies were Bilt-Rite/Mastex occupational back supports, rib belts, arm slings, knee braces, lumbar-sacral supports, abdominal binders, wrist supports, posture supports, wristlets, ankle supports, hinged knee braces, cast boots, cervical foam collars, finger splints and latex gloves..

"These supplies will really help the people who survived this unbelievable tragedy. Haiti desperately needs these supplies, and we felt this was the right thing to do", said Will Palmer, Bilt-Rite/Mastex's Operations Manager. "These products will really help the injured recuperate properly after they have been treated, and enhance the quality of their lives."

The Bilt-Rite/Mastex products are making their way to Haiti with the help of PROJECT C.U.R.E. PROJECT C.U.R.E. (Commission on Urgent Relief & Equipment) was founded in 1987 to help meet the need for medical supplies, equipment and services around the world. PROJECT C.U.R.E. provides donated medical supplies and equipment to both small clinics and very large hospitals. Since its inception, PROJECT C.U.R.E. has delivered medical relief to needy people in more than 120 countries.

"PROJECT C.U.R.E is really making a difference" said Palmer. "They handle all the logistics and make sure that our donated supplies reach the people that need it most."

Medical manufacturers, wholesale distributors and suppliers can donate new consumable supplies, and working medical equipment, both new and used, to PROJECT C.U.R.E. Please visit projectcure.org for more information.
