## Professional Paraffin Wax Warmers

Both of these warmers use paraffin to deeply moisturize the skin, condition nails and cuticles and provide a luxurious, soothing spa treatment. Six pounds of wax are included with every unit. The automatic units (MAS090) maintain a safe and comfortable temperature setting. Quick-Melt feature heats wax fast without overheating. Our variable temperature setting models (MAS095) allow you to regulate the temperature, according to preference and your schedule.

- New larger stainless steel tank
- New removable power cord
- New attractive display box
- Generous size comfortably accommodates feet as large as a man's size 12
- Uniform coils surround tank to distribute heat evenly and efficiently
- Stainless steel tank is easy to clean and resists bacterial growth
- Attractive, compact, lightweight design
- 5-year limited warranty

## PARAFFIN BATHS

MODEL	DESCRIPTION
MAS090	Professional Automatic Paraffin Bath (White)*
MAS095	Professional Variable Heat Paraffin Bath (White)*
MAS305	Automatic Paraffin Bath (White)**

\*\* Includes 3lbs of wax \* Includes 6lbs of wax

## Paraffin Wax Warmer

A more economical version of  professional wax warmer, the Mutual Beauty Manufacturing paraffin wax warmer is very attractive and efficient. This compact and lightweight unit features an aluminum tank for even heat distribution, and automatic heat control which maintains a constant wax temperature. The exterior is made from durable ABS, and each unit includes 3lbs of paraffin wax.

### Anti-Bacterial Paraffin Wax

Keep your paraffin bath safe and free from microbial and bacterial contamination. Mastex Health anti-bacterial waxes kill many harmful bacteria that may be transferred into your paraffin bath by previous users or other possible contaminants. Aloe vera oil and lanolin work together to moisturize and condition dry, damaged skin. Wax is available in unscented as well as seven different fragrances, including peach, vanilla, wintergreen, and lavender.

WAXES	
MODEL	DESCRIPTION
